**Institute of Engineering and Technology
Devi Ahilya Vishwavidhyalaya, Indore**

Student Feedback Action Taken Report

2023 -24

After taking feedback from students certain points were discussed and solutions were provided for them.

S.No	Particular	Action Taken
1.	Results of Test declared within two weeks of its being conducted.	More than 76% faculties showed test copies and declared the result on Time. For remaining 24% faculties, HOD instructed them to show copies and declare result on time.
2.	Adequate number of Assignments/Cases given	More than 90% faculties provided Assignments for specific subject on relevant Topics. HOD advised them to provide Assignments based on Practical and Design oriented Problems. Evaluation of Assignments to be done on time and through online tools.
3.	Would you Recommend him/her to teach same subject to your Juniors?	More than 80% students agree that Faculty who is teaching them the subject should teach the same subject to their juniors. HOD advised the concern faculty member to update their knowledge by opting for FDP's, Online courses by NPTEL/SWAYAM and use advance IT technologies to teach the course.
4.	Would you recommend him/her to teach you any other Subject?	More than 75% students agree that Faculty who is teaching them the subject can teach other subject to them as well. HOD advised the concern faculty member to update their knowledge by opting for FDP's, Online courses by NPTEL/SWAYAM and use advance IT technologies to teach new courses.
5.	In your opinion is this Syllabus adequate?	On the basis of Feedback given by the students it was decided to make the teaching more practical based. Faculties were asked to design their knowledge imparting method in such a way that its imparting method goes beyond lecture method. Department was asked to add more specialization courses which were future of industry.

Other than the above points Following Points were incorporated for better Teaching-Learning approach.

1. It was decided that Experts were invited to share their Knowledge to faculties and students. This helped them to interact with the resource persons and was motivated to do higher studies and take up jobs which has challenging future ahead.

2. Although E-books, books were available in sufficient quantity in library requirement were taken for new books as per need of students and faculties and sent to the Library Committee through department head after getting it verified
3. Students are encouraged to lead various Club activities for technical & nontechnical to enhance their Leadership qualities and improve communication skills.
4. Students are encouraged and guided to write and publish a research paper of their project work.
5. Professor Incharge, Placement was asked to initiate 1 year internship in Final year and field visit activities at department level.
